O R D E R

This matter arises before the Commission on a complaint filed on March 27, 1992 by Miles Grant Puckett ("Mr. Puckett") against Licking Valley Rural Electric ("Licking Valley"). On April 10, 1992, Licking Valley responded to the complaint by answer.

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that further information is needed to investigate the said complaint.

IT IS ORDERED that Licking Valley shall file the original and four copies of the following information with the Commission within 20 days of the date of this Order. Licking Valley shall furnish with each response the name of the witness who will be available for responding to questions concerning each item of information should a public hearing be required in this matter.

1. When was the electric meter installed on Mr. Puckett's residence?

2. Was the meter tested prior to putting it in service? Also, provide the dates the meter was tested and its accuracy since its installation.

3. Exhibit 1 shows history of consumption since October 1990.

a. Was Mr. Puckett provided service at the same address prior to 1990? If yes, provide the history of consumption starting from January 1985.

b. Provide the dates when Licking Valley employees read this meter and the corresponding readings since 1985.

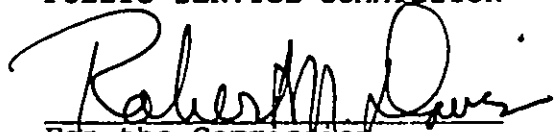

c. What does the number zero ("0") in the column headed "Days" stand for?

d. Why is the number for January sixty ("60") in the column headed "Days"?

4. Has Mr. Puckett requested that his meter be tested?

Done at Frankfort, Kentucky, this 8th day of June, 1992.
